

Join the Ottawa Team!

We are recruiting for a **Custodial Work 3566 WG 2**, at **Ottawa National Wildlife Refuge in Oak Harbor, OH**. This position is Intermittent Temporary (i.e., part-time) with a total of 1039 hours in a 12 month period with an expected average of 20 hours/week.

Veterans who are preference eligible or who have been separated from the armed forces under honorable conditions after 3 or more years of continuous active service may apply under the Veterans Employment Opportunity Act (VEOA). Veterans of foreign wars may be eligible for this position by a special appointment (VRA).

Ottawa National Wildlife Refuge Complex consists of a series of wetlands, grasslands and forests along the southwestern shore of Lake Erie. As a major migration stopover site, the area of nearly 10,000 acres is vital to migratory birds. Countless waterfowl, shorebirds, raptors and songbirds refuel and rest on the Refuge before or after crossing Lake Erie. Much of the Refuge and the surrounding lands were once part of the 900,000-acre Great Black Swamp. This heavily managed Refuge provides valuable wildlife habitat and a place for people to enjoy wildlife-dependent recreational activities and learn about the natural world. The Refuge also has a wide array of facilities including a 12,000-square foot Visitor Center with geo-thermal and solar-powered energy systems. The Refuge's annual visitation is over 200,000.

The primary focus of the position is to provide custodial support to maintain refuge properties and facilities. This includes general cleaning of the Visitor Center and public restrooms, and other buildings on the Refuge. In addition, this position will involve general maintenance and repair of facilities, equipment and other property associated with the Refuge.

This is an opportunity for the right person to be part of the Ottawa team and help make our facilities some of the premier stopovers for visitors along the Lake Erie marshes.

For more Information, contact Karl Fleming 419 343-6793.
