

Please Be Our Guest

The Ottawa National Wildlife Refuge Association

is having a

Summer Get Together Picnic

for Association members

Sunday, August 2, 2009

at 5:00 pm

at the refuge, 14000 W. State Route 2.

We would like to meet our members, and our members to meet your board. No work involved! Just a good time for all.

The Association will provide a hamburger/hot dog dinner, with all the trimmings that go along.

Bring your family and friends, a smile and your appetite.

*Friendly conversation, games and fun guaranteed!
The sun will shine, but if the rain clouds insist
on joining us, we will move indoors.*

Please return the enclosed
post card before
July 25, 2009.

See You There!
