

Fox Toilet Paper Roll Craft

contributed by [Leanne Guenther](#)

This is a cute three dimensional fox craft that is fun for young children to make and to play with.

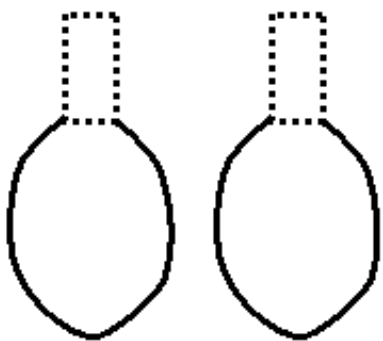

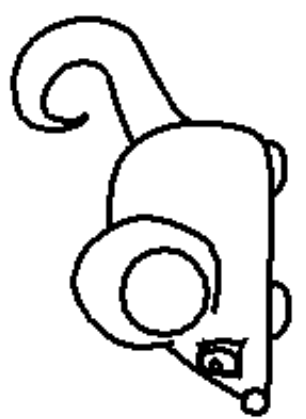

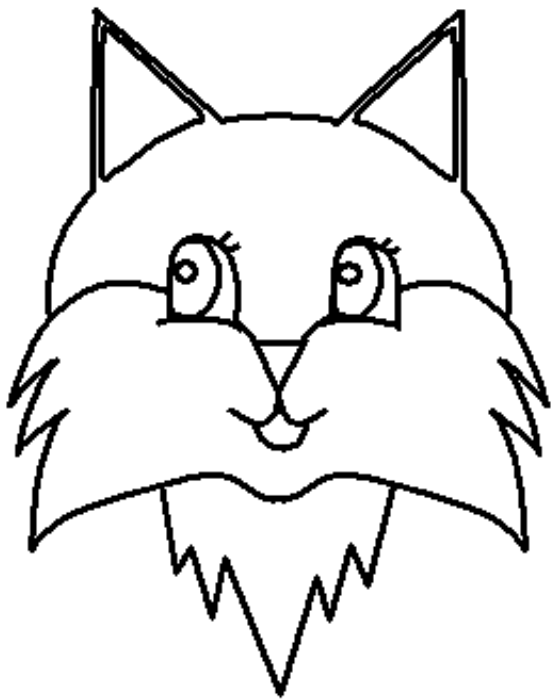

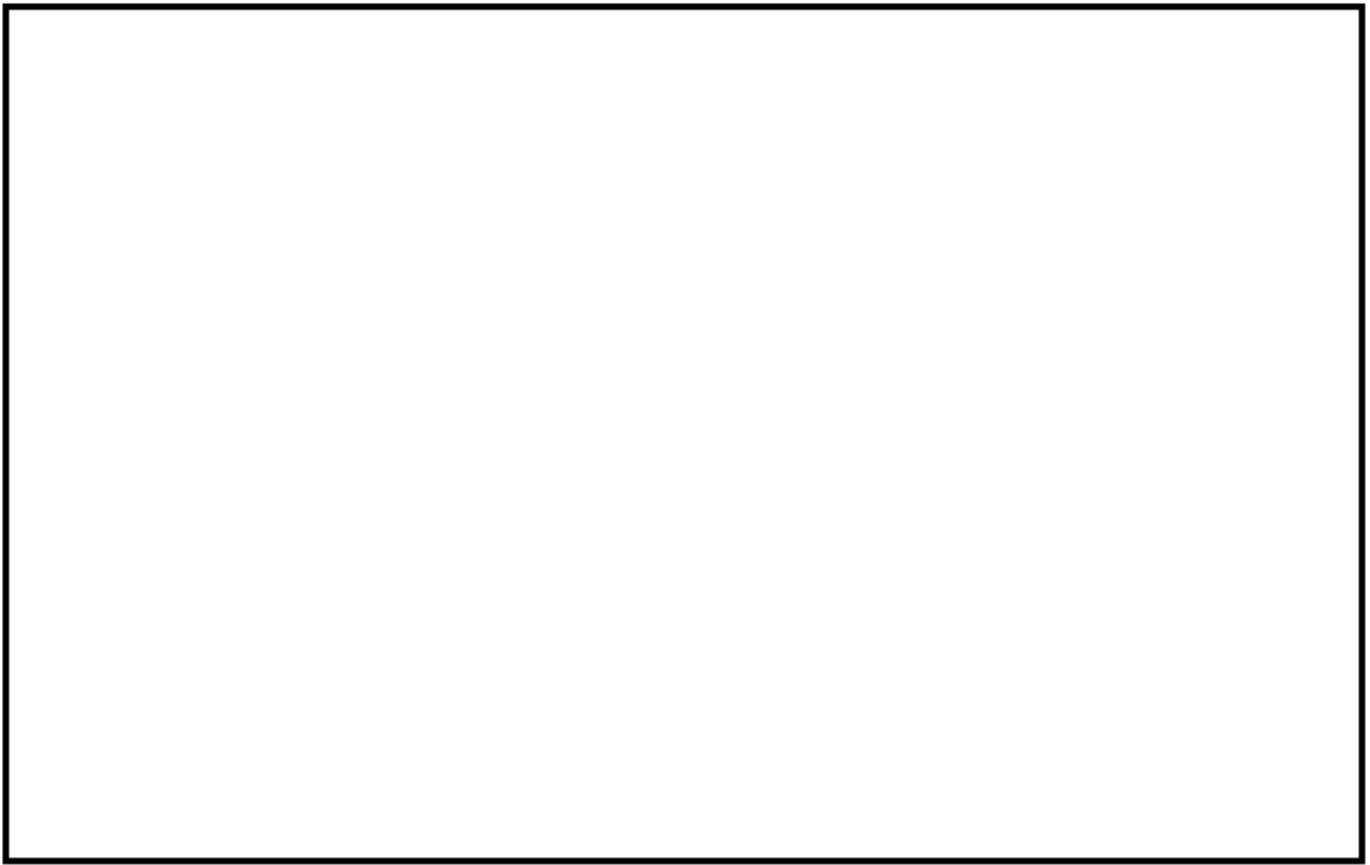

Materials:

- toilet paper roll or cardboard tube,
- printer,
- something to color with,
- scissors,
- glue,
- Paper

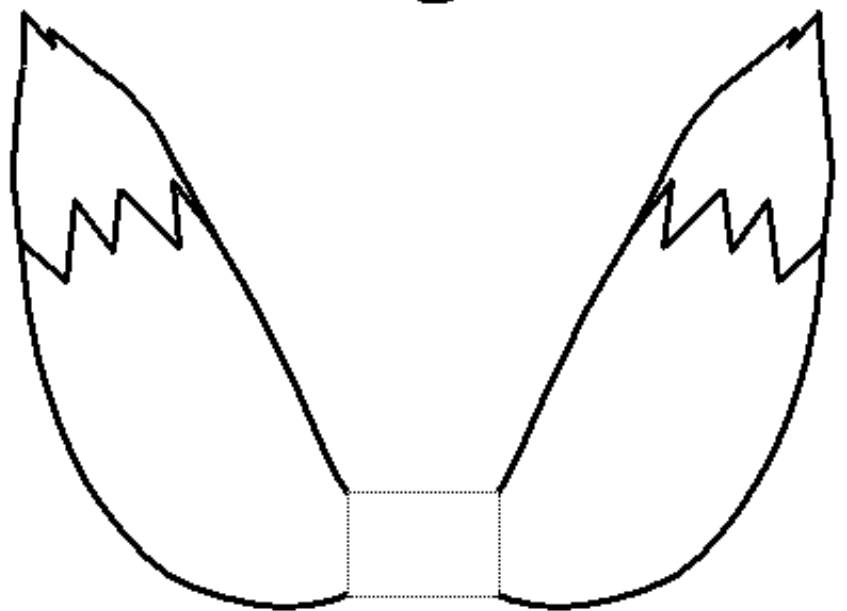

Instructions:

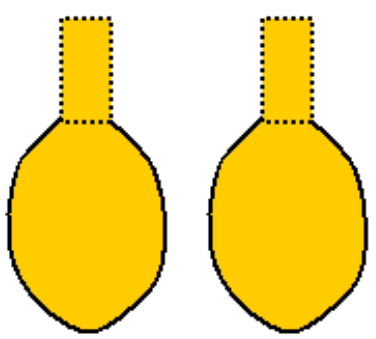

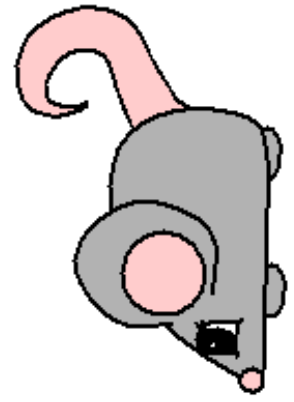

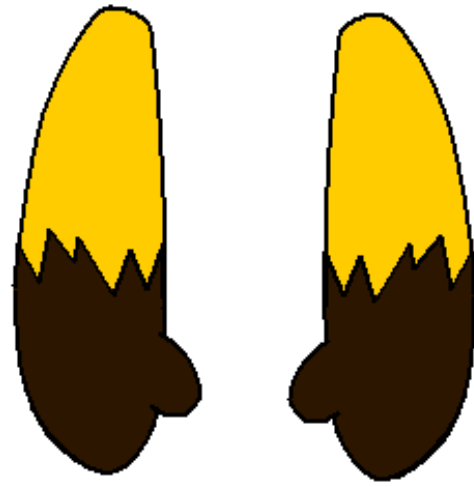

- Print out the craft template of choice.
 - Color (if using the black and white version of the craft) and cut out the template pieces.
 - Glue the large rectangular piece on first to cover the tube. Toilet paper rolls come in different sizes, so if you find the rectangle is a bit too big, just trim it down. If you find it's a bit too small, just cut out another small piece to fill in the gap.
 - Glue on the head and arms.
 - Fold the feet tabs and glue to the inside, bottom of the toilet paper roll.
 - Fold the tail in half and glue so it looks colored on each side then fold tab and glue to the toilet paper roll.
- Glue the mouse into one of the hands
